Registration for participation:

Milena Mihaylova
HESED Sofia
m.mihaylova@hesed.bg

The project does not cover funding of travel expenses for participation.

BORDERNETwork is a EU funded (Public Health Programme) networking project with 13 participating organisations from 8 EU countries, and 20 collaborating partners, 4 of them from CEE and SEE countries.

The cooperation area of Community-based HIV/STI prevention aims to

improve HIV/STIs prevention and sexual health for ethnic minorities (e.g. ROMA) and migrant groups through capacity building in participatory prevention models.

This seminar arises from the project BORDERNETwork which has received funding from the European Union, in the framework of the Health Programme.
