

WP9: Quality assurance of youth HIV Prevention, Sexual and Reproductive Health and Rights

Prevention Tram

The third edition of the Prevention Tram had been organized on August 28th, September 11th, October 2nd 2010 and on October 16th also representatives of MAT and Abendrot from Germany will work together with Polish side.

About the action:

The tram was decorated with balloons, posters and banners with information about the BORDERNETwork Project and DADU Association that co-organized the action. During a free-of-charge ride in historic tram the HIV/STI prevention was carried out. The talks with passengers, quizzes, handing out brochures, leaflets and condoms, the offer of HIV tests was disseminated. The information about safer sexual behaviors with a musical background had been send through the audio equipment during the ride.

Prevention Tram August 28th, 2010
