AIDS Action Europe's mission

To unite civil society to work towards a more effective response to the HIV epidemic in Europe and Central Asia

We strive for better protection of human rights and universal access to prevention, treatment, care and support

We work towards a reduction of health inequalities in Europe focussing on most at risk populations and on Central and Eastern Europe and Central Asia

Our general objectives in Europe and Central Asia:

- Strengthen civil society's contribution to a more effective response to the HIV epidemic by:
- Making an effective and meaningful contribution to regional and national policies related to HIV and AIDS
- Facilitating continuous exchange among NGOs on good practices and lessons learned related to HIV and AIDS
- Developing a stronger, more effective organization and network

AIDS Action Europe Clearinghouse

The [central database](#) for the exchange of good practices and key documents between NGOs, CBOs, policy makers, EU funded projects and other stakeholders in Europe and Central Asia.
